

FINNISH LANGUAGE & CULTURE

Group Leader: Neil Bennett

Meetings: 2nd and 4th Friday of the month (start date to be decided, but this will be early in the New Year)

Venue: to be announced soon

This is a new group for those with little or no knowledge of Finnish and an opportunity to learn it, starting from the basics. I will teach you this fascinating language, which is unrelated to most European languages.

Finland is an enigmatic country – a blend of east and west, the land of 188,000 lakes, the midnight sun, the northern lights, and the sauna. While this is primarily a language class, over time we will learn more about the culture of this Nordic land, where I spent several years.

This group is going ahead in the New Year, but there are still a few places left. The choice of venue will depend on how much further interest there is before this group starts to meet.

If you are interested in joining the group or have any questions, please don't hesitate to e-mail Neil at kuvakirja@hotmail.co.uk
